New for 1998!

Kershaw has expanded its high-tech series to include five new knives. Boasting a massive 30% increase in size and G-10 handles, the G-10 ATS34 XXL dwarfs its predecessor, the Ti-ATS34. We've also added G-10 handles to the Kershaw Talon to create the Kershaw G-10 Talon with a 40% serrated blade.

G-10 ATS34 XXL
Model 1416
Handle - G-10
Locking Blade - 4" (10.1cm.)
Closed - 5 3/8" (13.2cm.)
Steel - ATS34
Weight - 6.25 oz.
Includes Pocket Clip

We didn't stop there, the Wild-Wild Turkey got even wilder with a new set of G-10 handles to create the G-10 Wild Turkey. And, with a 15% increase in size, the Ti-Hawk with titanium handles and the G-10 Hawk with G-10 handles completed the high-tech series for 1998.

Ti-Hawk
Model 1435
Handle - Titanium
Locking Clip Blade - 3 3/8" (8.5cm.)
Closed - 4 3/8" (11.0cm.)
Steel - ATS34
Weight - 3.0 oz.
